

KEEPING ADULTS SAFE IN SHROPSHIRE BOARD

Learning and Development Sub Group

Recognised Learning and Development Programme

KASiSB RECOGNISED LEARNING AND DEVELOPMENT PROGRAMME

The programme consists of formal training courses including those accessed via Joint Training (Shropshire Council), Shropshire Partners in Care (SPiC) and other external providers. In addition, the KASiSB recognises that there are a range of internal training courses which will be considered equivalent. A wide range of subjects in addition to those stated in the KASiSB Learning and Development Programme will contribute to the prevention of abuse and neglect. Organisations should ensure they are providing training tailored to the needs of the adults they are supporting.
