Over the next few months, the Business Unit will be reviewing the SSCP Constitution and Executive Group Terms of Reference and will work with the SSCP and the Executive Group to implement the new structure. The Business Unit will also be working to update the new Partnership title and logo across all our business including our websites, email addresses, the multi-agency safeguarding training booking system, Policies and Procedures, etc.

Hopefully we will be fully up and running from September but if the impact of COVID 19 prevents that, the Business Unit will be in touch with everyone.

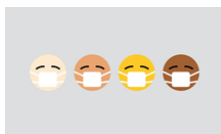

**The new leadership team for SSCP is made up of; Shropshire Fire and Rescue Service, West Mercia Probation Service, West Mercia Police, Shropshire Clinical Commissioning Group and Shropshire Council.**

## COVID-19 PARTNERSHIP MEETINGS

SSCP are meeting regularly to ensure our statutory duties about keeping people safe are continuing effectively. This meeting sits as a workstream of the Communities group under our Emergency Planning arrangements to tackle COVID 19. It provides partners with an opportunity to escalate issues that compromise our ability to continue our essential safeguarding activity where they have not been resolved using normal escalation processes.
